McCarthy, Civil Action No. 1:15-cv-00412-ACK-BMK (D. Haw.). On October 10, 2015, Plaintiff filed a complaint alleging that Gina McCarthy, in her official capacity as Administrator of the United States Environmental Protection Agency (“EPA”), failed to perform a non-discretionary duty to grant or deny within 60 days a petition submitted by PPHE on September 13, 2014 requesting that EPA object to a CAA Title V permit issued by the Environmental Management Division of the Clean Air Branch, Hawaii Department of Health, to Hu Honua Bioenergy, LLC, authorizing the operation of the Hu Honua Bioenergy Facility located in Pepe‘eoko, Hawaii. The proposed consent decree would establish a deadline for EPA to take such action.

**SUPPLEMENTARY INFORMATION:**

**I. Additional information about the proposed consent decree.**

The proposed consent decree would resolve a lawsuit filed by PPHE seeking to compel the Administrator to take actions under CAA section 505(b)(2). Under the terms of the proposed consent decree, EPA would agree to sign its response granting or denying the petition filed by PPHE regarding the Hu Honua Bioenergy Facility located in Pepe‘ekea, Hawaii, pursuant to section 505(b)(2) of the CAA, on or before September 16, 2016.

Under the terms of the proposed consent decree, EPA would expeditiously deliver notice of EPA’s response to the Office of the Federal Register for review and publication following signature of such response. In addition, the proposed consent decree outlines the procedure for the Plaintiffs to request costs of litigation, including attorney fees.

For a period of thirty (30) days following the date of publication of this notice, the Agency will accept written comments relating to the proposed consent decree from persons who

are not named as parties or intervenors to the litigation in question. EPA or the Department of Justice may withdraw or withhold consent to the proposed consent decree if the comments disclose facts or considerations that indicate that such consent is inappropriate, improper, inadequate, or inconsistent with the requirements of the Act. Unless EPA or the Department of Justice determines that consent to this consent decree should be withdrawn, the terms of the consent decree will be affirmed.

In contrast to EPA's electronic public docket, EPA's electronic mail (e-mail) system is not an "anonymous access" system. If you send an e-mail comment directly to the Docket without going through [www.regulations.gov](http://www.regulations.gov), your e-mail address is automatically captured and included as part of the comment that is placed in the official public docket, and made available in EPA's electronic public docket.
